Supplier self-assessn Ersterhebung Lieferant Isa102657	nent - Questionnaire	
Questionnaire		
Header data		
ID: Description: Buyer:	Isa102657 Ersterhebung Lieferant Kraftanlagen Gruppe	
Date of creation:	10 December 2017	

If you already have an access to the trading platform, you can also use it for logging in and processing processes with the Kraftanlagen Group. The login area for this is located in the upper left area:

Login	
Login:	
Password:	
→ Login	

If this is not yet the case, please select the "Supplier registration" button in the middle area:

You will now be presented with a form where you must fill in the mandatory fields marked with *.

Registration			
Company information			
Company name: (?) *			
Corporate form(s): ?			
Branch of industry:			
Company description:			
DUNS number: (?)			
	Jearch for DUNS number		
Company address			
Company name: *	±		
Street / Street number: *			
Zip code / City: *			
State:			
Country: *			
Homepage:			
F	Please let us know how you found out about us:

Time zone: *	Etc/GMT (GMT +0:00; GMT) V 🔎 🧔		
		✓ Register	X Cancel

Complete the data entry with "Register". Subsequently, you will receive an e-mail with your access data directly from newtron to the e-mail address you have entered. Then enter these in the registration window.

To specify the required information, the form uses various buttons and icons. Below you will find a brief explanation of the function:

Đ	Adds an entry
New entry	Adds an entry
+ Add	Adds an entry
	Enables the editing of a sub-record
<u>iii</u>	Deletes an entry
	Deletes an entry
● yes 🔵 no	Selection of an option
File V	Selection from a list
0	Viewing a data set
*	Edit record
	Web link
Ð	Reference to company data
*	Mandatory field

LSA processing 1.3.

Supplier self-assessment - Editing

If you are taken directly to an LSA with a link, you will be shown this LSA for editing immediately after logging in. Here, too, you will find data fields marked with an * that require your input as a mandatory field:

You can use the tabs in the header to switch to the different topics.

To specify your product range, you can edit it with the button Select more entries. A selection tree is displayed from which you can make a selection using the symbol. The next lower level with the symbol is highlighted in yellow.

The questionnaire is adapted to the need for information. Image cutouts are used for illustration.

As a confirmation, you will receive a message on the screen when the form has been forwarded to the Kraftanlagen Group:

Supplier self-assessment - Confirmation of dispatch

Ersterhebung Lieferant Isa102657

Со	onfirmation	
0	Thank you! Your supplier self-assessment with the ID sa177821-4 to the request with the ID Isa102657 "Ersterhebung Lieferant" of the company Kraftanlagen Gruppe has been saved and delivered through the system. Please proceed to the overview of the Supplier self-assessment.	
← (Overview	to SSA view

The information received will be reviewed and evaluated by a staff member. It is possible that you will be notified of a rejection by e-mail. Please refer to the e-mail for possible cancellation measures and complete your LSA as described in item 2.

2. Change supplier application

2.1. Home - Screen

If you log in to the platform without directly accessing an LSA, you will be taken to the Home screen. On this, you get an overview of the current activities of your account.

The numbers in the tiles tell you the amount of open processes for the named topic....

2.2. Menu / Edit LSA

To get to the previously processed supplier self-assessment, please open the menu:

Kraftanlag Gruppe	en	≡menu	НОМЕ	СОСКРІТ	MESSAGES
This is the central navigation of th REQUESTS	ne platform. Open/Close ORDER	by clicking on " ADMIN	Home" or "Po	s1" key.	
Requests Overview of tenders awarded Supplier self-assessment	ew of tenders awarded er self-assessment		n-Account ogin oduct range uer Managem	ent	

Select the item "Supplier self-assessment" there

You will get a tabular overview of the active elements. You are now welcome to resume editing and change/update your data using the tool icon.
